Dear East Coast Regional Patron:

The AFS East Coast Regional Conference is being held September 23-24, 2010 at the Lancaster Host Resort, Lancaster, PA.

Our theme for this Regional will be “**DISCOVERING VALUE**”.

By educating the attendees of the conference in some of the latest innovations and technologies, we hope they will return to their respective companies with ideas to improve their manufacturing process.

In keeping with the “**DISCOVERING VALUE**” theme , *we are offering this conference at a cost to the attendee that is less than the 2008 conference cost.* The success of this Regional will depend largely on donations from our supporters. We are making every effort to provide a low cost technical conference that will be of value to all levels of attendees.

We are asking for a \$100 donation to help us defray the cost of this conference.

Please make your check payable to **AFS East Coast Regional**

Mail your donation to:
Glen Morrell
Littlestown Foundry
PO Box 69
Littlestown, PA 17340

Your donation and support will be acknowledged in our printed program and on a visual presentation at the social activities.

We thank you for your continued support of this event.

David Young
Solicitations Chairman
J Kuhl Metals

Committee: David Stimson – Weaver Materiel Service,
Glen Morrell – Littlestown Foundry
